## The voice of the North Yorkshire Centre Issue 1 - March 2009

### Chairman's Chat

Bernard and I would like to wish all our members a Happy New Year and a successful rallying season. By the time you read this, several events and rallies will already have taken place – the Handbook Social, the Winter Walk, Burns Night, Hillside Caravan Park, Knayton and the Valentine's Rally at Thirsk. My grateful thanks to everyone involved in running these events.

We are now looking forward to the rest of the rally season and hoping for some sunshine along the way.

I'm sure all our members would like to join the Officers and Committee in congratulating Catterick Caravans on their 25<sup>th</sup> Anniversary. I will, on your behalf, be presenting them with a plaque to commemorate the occasion.

Whilst planning your rallies, please remember the inter-centre rallies, namely, the National, Joint Yorkshire Sports and Northern Centres. Joint Yorkshire Sports was a particularly successful rally for North Yorkshire last year, let's make an effort to attend and try to retain the trophies we won. I understand rumours are circulating that Joint Yorkshire Sports is too far away. It will be held at Doncaster Deaf School, yes, it is a little further than York, however, and most of our members should be able to complete the journey in about an hour and a half. In the past it has certainly been much further away. Your Sports Officers would appreciate your support.

North Yorkshire is hosting the 6 Stars Rally in September at Elvington Airfield. This rally is no longer just about the track tests; there is something for all the family to do. Please consider supporting this event and our 6 Star Reps would be delighted to see you supporting them in the Clubman's Competition.

The Dinner Dance will be held at the Hall Garth Hotel, Golf and Country Club, Darlington. Preparations are well under way. Dave Lee Michael, the vocalist who entertained us so well at our Celebration Rally, has been booked to entertain us at the Dinner Dance. If you have never come to our Dinner Dance, why not give it a try?

I would like to congratulate the Teenage Committee on all their hard work and support so far, and am sure you would like to join me in wishing them every success in the coming season – just don't forget to have some fun along the way!

Finally Bernard and I look forward to meeting friends old and new on the rally field.

**JEAN D'AMBROSIO  
CHAIRMAN**

## NEW YEAR RALLY

A brilliant end to 2008 and an even better start to 2009. We arrived at the Snooty Fox to a welcome from the rally marshals and punch and shortbread. The rally entertainment started with an evening in the pub with fun games and delicious pie and peas. Tuesday morning was bacon butties in our PJ's where a new rallier by the name of Gloria Futcher put in a brief appearance. This was followed by a short walk. In the evening it was "Vicars and Tart's" race night. Gloria Futcher was upstaged by another new rallier Andrea Woodcock. New Year's Eve provided a chance to get all dressed up for a lovely meal provided by John and Ness from the Snooty Fox. The tables were beautifully laid out with place names, crackers etc. After the meal and a quick bit of furniture removal, we danced our way into 2009 with music from DJ Dave (Wooler). New Year's Day arrived with time to recover for flag and more entertainment to round off a brilliant rally.

We understand that some person or persons removed a valuable item from the flag pole but left their underwear behind! DCI Stirling was soon on the case and the stolen item was secretly returned under cover of darkness. He is now awaiting DNA results and scanning close circuit TV footage from the Snooty Fox and is confident the culprit will be identified and brought to justice!!

Our thanks go to Roy, Brenda, Dan, John, Ros and Dan for all their hard work before, during and after the rally. Also thanks to all those who helped along the way.

**Andy and Mavis Woodcock**

Can we just add our thanks to Brenda, Roy, Daniel, John, Ros and Daniel for another fantastic New Year rally. I don't think anyone wanted to go home! We had such a brilliant time and laughed so much we cannot wait till next year!

Again thanks

### Christmas on the Teesside Princess

I would just like to thank everyone who was involved in organising the Santa special for the children Saturday on the Teesside Princess. The atmosphere was lovely and I know all the children (and us grownups) really enjoyed ourselves. There was even some kissing with Santa but we won't mention names ..... (Mrs Futcher)

### New Year Rally 2008/9

Hurry up, Hurry up, you just can't dally  
You have to be quick to get on the New Year Rally  
If you don't make the "List", you will surely cry  
And it won't take you long to realise why  
It's the Marshals, Daniel Ros John, Daniel Brenda and Roy  
Who do so much to make your week an absolute joy  
They organise everything, there's just so much to do  
And the Snooty Fox venue, provides a beautiful view  
It's easy to see from their efforts that their number one aim  
Is to ensure we all enjoy every day just the same  
At the Vicars and Tarts Night, we had so much fun  
Blokes dressed as women, with monks vicars even a nun  
Every evening into the pub we would go  
Playing Mr and Mrs, Play your Cards Right, enjoying a disco  
With Ros as Ann Robinson equipped with quips and the wink  
There was the Caravan Ralliers version of the Weakest Link  
Following that we had a fantastic Race Night  
And a spectacular version of the Price is Right  
There was a bit of controversy when someone played a gag  
When they stole the coveted "North Yorkshire" Flag  
But it was ok, it was put back in its place  
So now you won't have the Committees' WRATH to face  
Leaving the most important thing to do  
Which is to say a MASSIVE THANK YOU

Karen Young

## Winter Walk 16<sup>th</sup> January 2009

Sunday morning dawned bright, dry and sunny with a light cold wind. A group of about 35, plus 1 dog gathered at the Cod Beck reservoir car park above the lovely village of Osmotherly. We set off over the footbridge and up a steep bank out on to the moor top; nice easy walking, not too muddy! Lovely views across to Thirsk, then we dropped down again to Upper Carr water works and a well earned coffee stop, out of the wind and in the sunshine, we could easily forget it was January. Next came a steep walk up a farm road then a climb back up the top via a very muddy track. There were lots of laughs along the way as we slithered and slipped, Lucy Fitcher almost fell in it while little brother Joe hitched a ride on Dad's shoulders. We were soon back down to the reservoir and enjoyed an almost flat walk back to the car park, once we had all scrambled across the beck. A welcome drink was had in the Blacksmiths Arms in Swainby before heading home. An enjoyable day out. Our thanks go to Mike and Jacquie Horner assisted by Ken and Margaret McKie on their 1<sup>st</sup> winter walk.

Andy, Mavis, Richard and Stef

### 2009 Northern Centres

The Northern Centres Rally committee will be meeting on 7th March 2009 to finalise the decision on entertainment for this year's rally at Beckfoot Park, Kirby Lonsdale. It is proposed to have live entertainment in the marquee, possibly on two nights. This, of course, will involve an extra cost to those who wish to attend but it is hoped that it will attract more ralliers who are not interested in just sport and increase the numbers attending the rally. What do you, as a North Yorkshire member think?

Which nights would be most suitable to hold the entertainment?

If it is held on the Sunday evening it gives our centre a problem. What do we do about our centre social?

Do we still want one or do we cancel it even though it is published in the events programme?

Do we want to hold it on another night?

What kind of activities do you want?

Who would be willing to run it?

The likelihood is that Northern Centres will provide entertainment on both Saturday and Sunday evening inside a marquee. Without the support of those attending the rally it may not be viable in the future.

As you can see there are a number of issues to think about. The Chairman and Vice Chairman are your representatives on the Northern Centres' committee for 2009. Please let them know your opinions by Thursday 5th March so they can take these into consideration in preparation for the Northern Centres Rally committee meeting on the 7th March.

### Hand Book Social

On behalf of the Teenage Committee may I thank everyone who donated prizes, bought tickets and helped with their sale and folding. We raised a fabulous £198. Thank you for your continued support.

Teenage Chairman

### Obituary

It is with great sadness and regret that I have to inform you of the death on Wednesday, 4th February 2009 of Andrew Gibson, son of Billy and Anne, and brother to Gemma. Some of you will know that Andrew was involved in a very serious car accident in Dubai in July and was finally transferred to the UK in September. Andrew has come through many battles and the hope was that with time he would pull through. Sadly that was not to be. Following an operation on Monday, which was deemed a success, Andrew's lungs stopped functioning and his brain was deprived of oxygen. Our thoughts and prayers are with Billy, Anne, Gemma and all Andrew's family and friends. May he rest in peace.

Jean D'Ambrosio  
Chairman

I would like to say a Big Thank you to all those who have sent get well cards and phone calls during my spell in hospital. I now have photos of Alan doing the house work, cooking and ironing for all to see. Once again many thanks.

Judith Skerry

I would like to thank the ralliers who have bought cards from me for the Teenage Charity, Children with autism and special needs and Children's heart unit fund. I was very pleased once again, to pass a sum of £200.00 for these charities. Many thanks also to Janet Taylor who passed on cards for me to sell. Please can you pass all unwanted cards so I can carry on making cards for next year's Charity.

Many Thanks - Judith Skerry

### **HILLSIDE CP, KNAYTON. - February 6TH-8TH.**

We arrived on site just after lunch and we quickly had everything set up. It was dry but very cold however with the unusual luxury of electric heating (super pitches) we were soon warm and snug. Caught up with some friends and then had a short walk before tea. It is in a beautiful setting surrounded by low hills which looked even more wonderful with the snow on them.

Next day we went to Thirsk then Northallerton however some hardy souls stayed on site and used the conditions to enjoy some sledging with a variety of "sledges", good fun was had by all. Sunday was dry and bright and a few degrees warmer for coffee morning. Lunch then another short walk before we packed up to leave. Jeff, Jayne and Jemma thank you very much for a really good start to this year's rallying and hope to return next year
